NURSERY

Prospectus

SureStart

Dear Parent,

Thank you for your recent enquiry requesting details of the nursery. I hope that you find the enclosed information helpful.

We offer a wide range of facilities and would like to invite you to visit us at any time mid morning or mid afternoon, all we ask is that you take us as you find us!

If however you would prefer to discuss you and your child's needs in depth please feel free to telephone us to arrange a mutually convenient time.

We look forward to hearing from you.

Yours Sincerely

Julie Addyman
Director

The Nursery

nippers is a family run nursery that aims to offer you and your child something a little bit different.

It is owned and run by Julie Addyman & Kim Julian along with a highly qualified and dedicated staff team of girls who have been providing local families with a tip top service for just over 20 years.

Mairead QTS Primary

Michelle Early Years Teacher

Leah Lead Practitioner Creative play

*“We looked at several settings in the area before we visited nippers.
To me it really stood out from the rest. Emma*

The setting has five themed play areas that support children to ‘free play’ choosing where they would like to spend their day making decisions and choices about their development and the new skills they want to learn. The staff team are divided in to Classroom teams working together caring and sharing their individual skill and ideas.

“We have experienced three other nurseries at different times and none of them even come close to the high quality of care, enthusiasm and dedication to the children that we have found at nippers.” Clare

The Outdoor Play Area

We play outside come rain or shine. There are waterproof waders, suits and ski wear for really cold days. Every child is encouraged to be outside for part of their day but most children are naturally drawn to this large outdoor space. It offers freedom, adventure and exploration, we all get to let off a bit of steam.

“My son loves the girls and the other children and the play areas, especially outdoor area is fantastic. The children are encouraged to go outside and have great wetsuits/snowsuits.” Amanda

The boys particularly like the Builders Centre, home to wood, bricks, branches, rope, planks, crates, guttering, tarpaulins..... the equipment list grows every week.

The children develop their gross motor skills lifting, climbing and balancing, whilst also communicating cooperatively as a team.

“The outdoor area is particularly well resourced and creatively laid out”. OFSTED 2010

We grow plants from seed, care for our environment – including the birds and toads.

Role play also takes place outside and we have the usual bikes, swings, tree house and sand pit.

The children get filthy in the mud bath, are nature detectives, weather forecast experts, trainee joiners and worn out every day!

But sometimes you might just fancy a quiet time to relax and wind down or go at it hammer and tong!

“The outside area is one of the best settings for a nursery I have ever seen and the children go out in all weathers.” Trudie

The Messy Play Room

Messy Mornings and Arty Afternoons form the structure of our working day. There are feely trays - sensory exploration of all kinds of medium, melted chocolate being a favourite!

We taste, touch, smell and generally get blathered.

"It allows the children to explore their independence and their growing world in a unique way. It is one of the most creative and inspiring settings I have seen" Jude

There is paint, clay, sand & water tables, a creation station and an easel, all sorts of activities are on offer every day; collage modelling, printing, cutting and sticking the list is endless.

The Imaginative Play Room

This area of play offers children open ended imaginative and creative opportunities.
One day we are on a bus heading for the supermarket

then before you know it's your wedding day!

The room contains a drama centre, small world floor play, a library corner, not to mention every type of construction toy imaginable!

The Queen had her unofficial Birthday Party here – it was a right royal do!

"I like the idea of the free flow system they operate, where children are free to move from room to room as they choose. This seems to really encourage independence and confidence and ensures they are always doing something they want to do and it really seems to suit my son". Sarah

The Quiet Room

In this room children are encouraged to extend their personal development by engaging in a wide variety of learning opportunities that are sitting and doing activities, which in turn prepares them for the transition to 'big school'.

Understanding the world is the main focus for this area. We have successfully hatched caterpillar eggs and watched the outdoor tadpoles turn into frogs. Science experiments are great fun, the children named them WOW! Activities – the name just says it all!

Picture books, story time, poems and rhymes are a great way to support learning about the world around us and are used every session to encourage and develop listening and communication skills.

Every child has a 'Scrap Book' which supports the development of basic reading and writing skills along with early numeracy and problem solving techniques.

Children are encouraged to engage in a range of daily planned activities that encourage both individual development and working with others in the group.

The Studio

This is housed in our outdoor classroom in the garden; it consists of a huge variety of smaller equipment to encourage balance and coordination. Its versatility provides open-ended play and great fun. Dance, sing + dressing up

We listen to all kinds of different music genres as well as creating our own.

The main focus in this area is Physical Development but there really is a huge amount of creative and imaginary development happening too.

“Well planned play space and resources both indoors and outdoors ensure children fully enjoy their learning”. OFSTED 2010

To celebrate the Queens Birthday we had an ugly bug ball.

Fox trot anyone?

The Kitchen and Dining Room

On arrival children help themselves to breakfast and then during the morning a snack tray is delivered to each room. The children sit together chatting and munching on fresh fruit, organic milk or water and a light snack.

There is always a cafe table in the kitchen that the children can access at any time and every room has a supply of drinking water.

A two course lunch is served at 12.30pm which is then followed by an afternoon café and a two course hot tea (cold puddings during summer) is served at 4.30pm.

Great care is taken to provide a nutritious, well-balanced diet.

All snacks, lunches and tea are cooked on the premises. Locally sourced ingredients are used to create a varied and delicious menu which the children are heavily involved in preparing.

Weekly menus are displayed in the hallway along with the 'clean plate' chart that lets you know how 'we' have eaten today. Parents also receive a weekly 'Mail Chimp' email to let you know what we are dining upon each week.

Special diets are catered for as best we can! Everything is made freshly from scratch in the 5* rated kitchen each morning.

"The smells coming from the kitchen are truly wonderful, and most days I want to stay for lunch as I smell it being prepared as I drop off". Jude

The Staff Team

The nursery is owned and run by Julie Addyman & Kim Julian.

Both the girls work on the 'shop floor' every day, working closely with the rest of the team and directly with children and families. Sara, Ella, Leoni + co the smooth running of The Bambino Room along with a highly qualified staff team.....

"There is a highly qualified and skilled staff team, working expertly" OFSTED 2022

*management team Julie and Kim are truly fantastic in terms of their support of the staff, the children and the parents. Above and beyond the call of duty many times.
I cannot recommend this nursery highly enough". Jude*

Opening Times

The nursery is open Monday to Friday 7.30am – 6.00pm, 52 ish weeks a year as we are closed for staff training and a few extra days over the Christmas and New Year period.

Fees:- structure from April 2024 – March 2025 (Reviewed September 24)

Full time Monday – Friday £280

Full day (7.30am – 6.00pm) £65

Deposit £200 Refunded on your first invoice when your child starts nursery

Children must attend a minimum of three days. Fees are payable monthly in advance, and are non-returnable if your child is ill or on holiday.

We are registered with The Government to receive on your behalf Education Funding, which is currently available the term after your child's 3rd birthday.

If you would like your child to attend nippers nursery, please return the enclosed registration forms to Carolyn who will then contact you to discuss you and your child's needs.

"The management team Julie and Carolyn are truly fantastic in terms of their support of the staff, the children and the parents. Above and beyond the call of duty many times. I cannot recommend this nursery highly enough". Jude

Working with Parents

nippers is committed to making you part of our family. We hold termly family socials, Beer and Curry night, Banger Night, Come and Play Days, Hot Cross Bun Sunday and Parents Evenings but to name a few. You will be included in everything we do and so will Granny! Check out our Google and facebook Pages to see what we have been up to and we hope to hear from you soon x x x x

15 + 30 hour Education Funding at nippers

See if you are eligible for funding or help in other ways with your childcare costs

www.childcarechoices.gov.uk

Education Funding

The Government funding only pays for a limited number of hours, it doesn't pay for all the essentials and extras that makes nippers such a special place. We understand that most families want continuity of provision all year round and so we'll ask you to pay for these essential and extras along with the rest of your non funded hours

Funded + None funded hours

Stretched hours: whether it's 30 or 15 hours, that number only applies to the 38 weeks in term time. So, we 'stretch' the 15 or 30 funded hours across the whole term

Non-funded hours: We don't provide childcare by the hour, which means your funded + non funded hours always need to cover a full day 7.30 - 6pm

You'll pay a combined fee that covers all your non-funded hours, along with the essentials and extras

What are the essentials + extras

Dedicated care: Highly qualified staff team including two qualified teachers. Typically, we have one brilliant member of staff for every eight children (1:8), compared to 1:13 in some schools – usually we operate at a ratio of (1:6) This means there's much more one-to-one time with your child, which is great for their development

Toiletries/Consumables: We do all we can to keep your child feeling clean and comfortable throughout the day

Meals, drinks and snacks Our on-site chef prepares healthy, delicious food, offering a dessert with every meal along with lots of fresh + nutritious snacks

Enhancements and activities: From their favourite toys and play equipment to books, art supplies, specialist training and more, this covers absolutely everything we need to create the enriching experiences that make us so very special — and everything your child needs to learn, play, grow, and practice their language and communication. It's everything they need for the best start in life

Other things.....

- Family Socials
- Parent Portal
- WhatsApp
- Mailchimp
- Weather Appropriate Clothing
- Parents Evenings
- Trips + Outings

* For Parents/carers that are unable to pay for essentials + extras: Your child can attend the setting for their funded hours term time only. We will confirm termly when they attend and ask for essentials to be provided. These places are limited and are reviewed termly which means that continual attendance is not guaranteed

Registration Form

<p>The relationship between a child's parents & a setting is crucial to the child's well being. The welfare, safety & protection of your child are at the heart of everything we do. To enable us to make the best provision for your child we are officially required to ask for information to be provided to us. Please understand that there are sound reasons why we are required to ask these questions. We want to help your child to keep safe, it is not just that we are being curious. Thank you for your co operation.</p>

Goodbye Letters

THANK YOU
Very, Very,
Very Much...
THANK YOU
Very, Much,
Very, Very, Very
MUCH!

To Everyone at

Nippers,

Thank you so much
for all your wonderful care
and hard work with our
Chatterbox George.

It will be very strange for
us all not coming through
your happy blue gate each
week - you have been a
wonderful part of our
busy lives.

With all our love,

Phil and Katey Lacey

We just wanted to say thank you all
So so much for making Tommy's hive at
Nippers over the last 2 years so amazing. He
has absolutely loved it and talks about it
all the time! You have all made his hive
really special. Thank you.
Tommy will certainly miss Nippers (as will
Imogen!) and we all wish everyone here
all the best for the future.

Lots of Love,
Wendy, Jen, Tommy + Imogen
xxxxx
